Fauquier County Virginia

"Help us Help you"

Revenue Recovery Program

What is Revenue Recovery?

Providing appropriate and complete medical care to our patients remains our highest priority!

Residents and visitors should know that <u>NO ONE WILL EVER BE DENIED EMERGENCY MEDICAL SERVICE</u> because of their inability to pay or lack of health insurance.

Revenue Recovery is a way for the emergency medical services of the Fauquier County Fire and Rescue agencies to obtain financial reimbursement for the cost of necessary ambulance transports. Reimbursement will come directly from Medicare, Medicaid, and other private insurance companies.

Compassionate Billing

Compassionate billing is intended to eliminate or minimize out-of-pocket expenses for ambulance services received by County residents. **The County regards taxes paid by our residents as covering co-pays and/or deductibles for ambulance service,** for ALL persons living in a household paying Fauquier County taxes.

No one should ever hesitate to call 9-1-1 because of inability to pay or lack of insurance.

ANY RESIDENT LACKING HEALTH INSURANCE, and requiring emergency medical transport, may submit a waiver request form stating financial hardship.

Service First!

Fauquier takes pride in our combination services!

When you receive fire, rescue or emergency medical services in Fauquier County, you benefit from a **COMBINED** volunteer and career system!

All funds recovered from insurance companies through the Revenue Recovery program have been designated to be put back into the County's highly regarded Fire/Rescue system. This fund will support trained paramedics in the field to enhance the availablity of advanced life support. The Volunteer Fire and Rescue Departments do receive limited financial operational support from the county; however, the majority of the Volunteer departments capital and operating expenses are continued by donations from the community. The Volunteer Fire and Rescue Departments still need your support and donations!

If you would like to make a donation to your local fire and/or rescue department to show your support or even volunteer some of your time you can get information on our website www.fauquierfirerescue.org.
